"Are you really a witch hunter?"
"Why do you ask?"
"Because I mean it almost seems more like you want to be killed yourself"
"Is that how it looks to you?"
All right. We've got everybody here?
Now, pay attention.

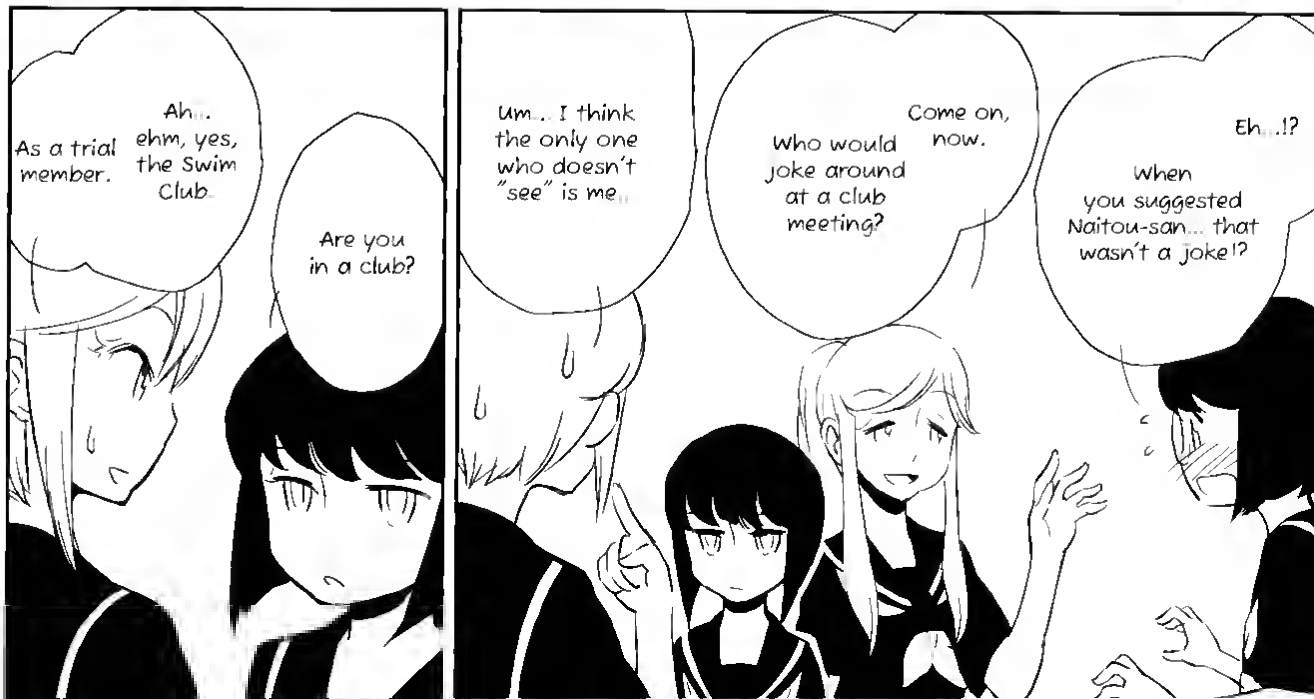
You've just received your script books. Don't lose them.
Especially you, fresh-men
Drama Club
Every year somebody lends hers out and ends up losing it.
Lending them out is also strictly prohibited.

However, we encourage freshmen not to shy away from trying for roles.
there aren't that many characters in this year's play.
As you'll see when you read it.
Like I said, we can do it afterwards.
No, but you see, I have a question—
If I let you get started, we'll never hear the end of it!
Drama Club
Ahm, yes, excuse me, right here.
Now, as concerns the casting...
If there's a specific part you want, we can discuss it after.
No no, I want to nominate someone else.

1-B
Oh, that's right...
Unlike the spring play, every fall we do an original production.
This will be your first School Festival here, Naitou-san.
Wow...
So you guys have another play in the fall?
We had a really fun one last year, it had time travel and everything...
This year's is still a secret, though.
Oh hoh... interesting.
Naitou-san, can I have a minute of your time?
Huh?
Sure.
Hey,
have you decided what you're going to write yet?
Let me hear it. I won't tell anyone, I swear
Huh?
Naitou-san!
Thank goodness, you're still here.
Ah!
What, really...?
The script was already written by one of our upperclassmen...

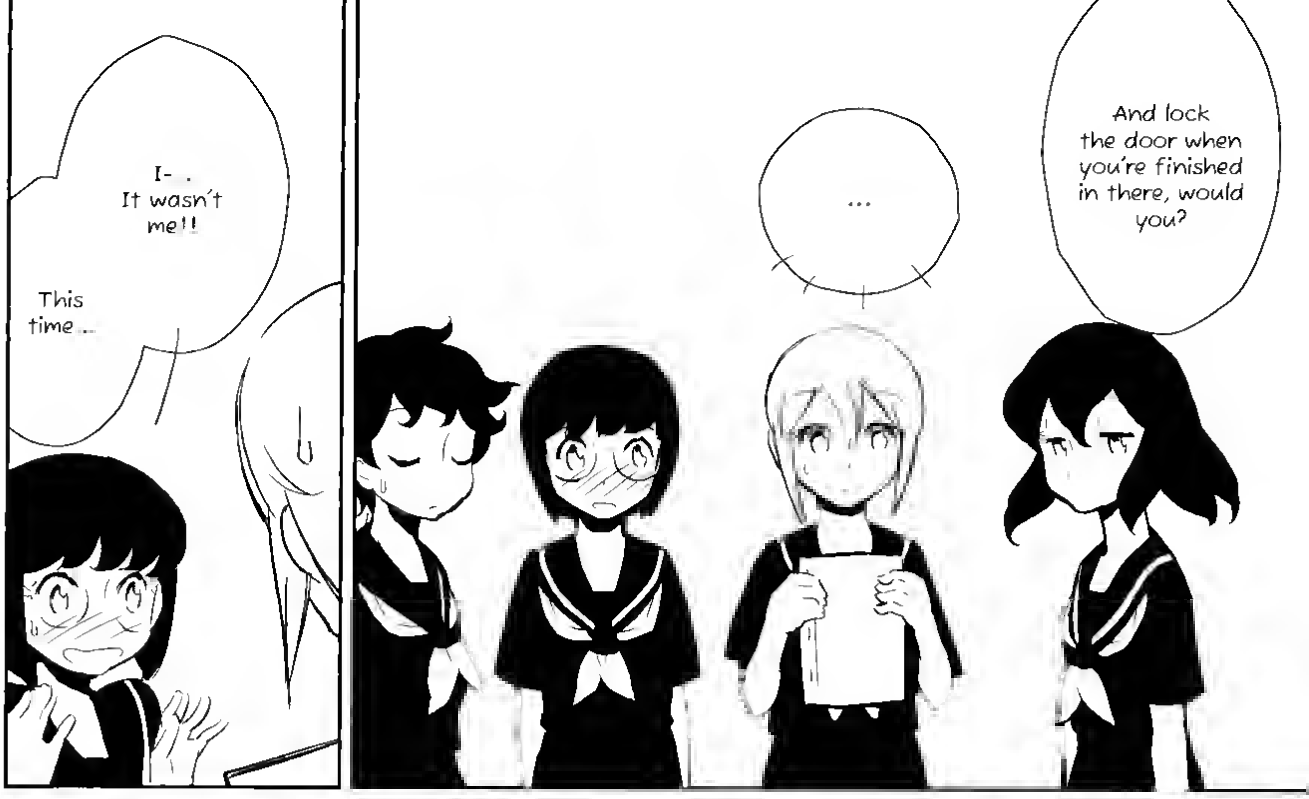
Ah...
actually, you two'd better come too.

Ooh.
So our playwrighting sensei sees it too?
Don't call me a sensei.
I see...



Are you in a club?
Ah... ehm, yes, the Swim Club.
As a trial member.
Um.. I think the only one who doesn't "see" is me..
Come on, now.
Who would joke around at a club meeting?
Eh..!?
When you suggested Naitou-san... that wasn't a joke!?

Eh?
Ehm... well, lately I've heard some things about it from Yuicc... Yuichi-san, so, a little, I suppose .
Do you have any interest in theatre?
Well, ha ha... I figured it'd be better to talk to the person herself first.. something like that.
See, this won't work.
What did the President say?
? ? ?
Going off on your own again... Well, leave me out of it.
That's my copy, so,
try not to lose it, 'K?
No.
See?
Huh?
S... sure...?
If you wouldn't mind, want to try reading that?



I- .
It wasn't me!!
This time...
...
And lock the door when you're finished in there, would you?

though in that case, I'd have to agree with her.
She also thinks the other lead role is perfect for Yuichi-san...
I see...

So that was her?
Ohh, she's from back during the "princely" incident...
Well, you see...
Hinomi-senpai... she's the one with the long hair...
She thinks one of the lead parts this time around suits you perfectly.

Huh?
Why are you apologizing?
Um .
I'm sorry..

Mmm...
Hinomi-senpai never practices her lines at all, yet she always delivers them perfectly..
She must think that because she can do it, anybody can do it...
Well,
if you don't want to do it, just tell them so clearly and that'll be that.
...Probably.
...
What is she .
Eh!?
Good morning!
Good morning!
Ahh, is that how it was...
I see, I see...

...
So what do you think of all this, Yuicchi?
Yes
It was pretty good!
Me...?
...

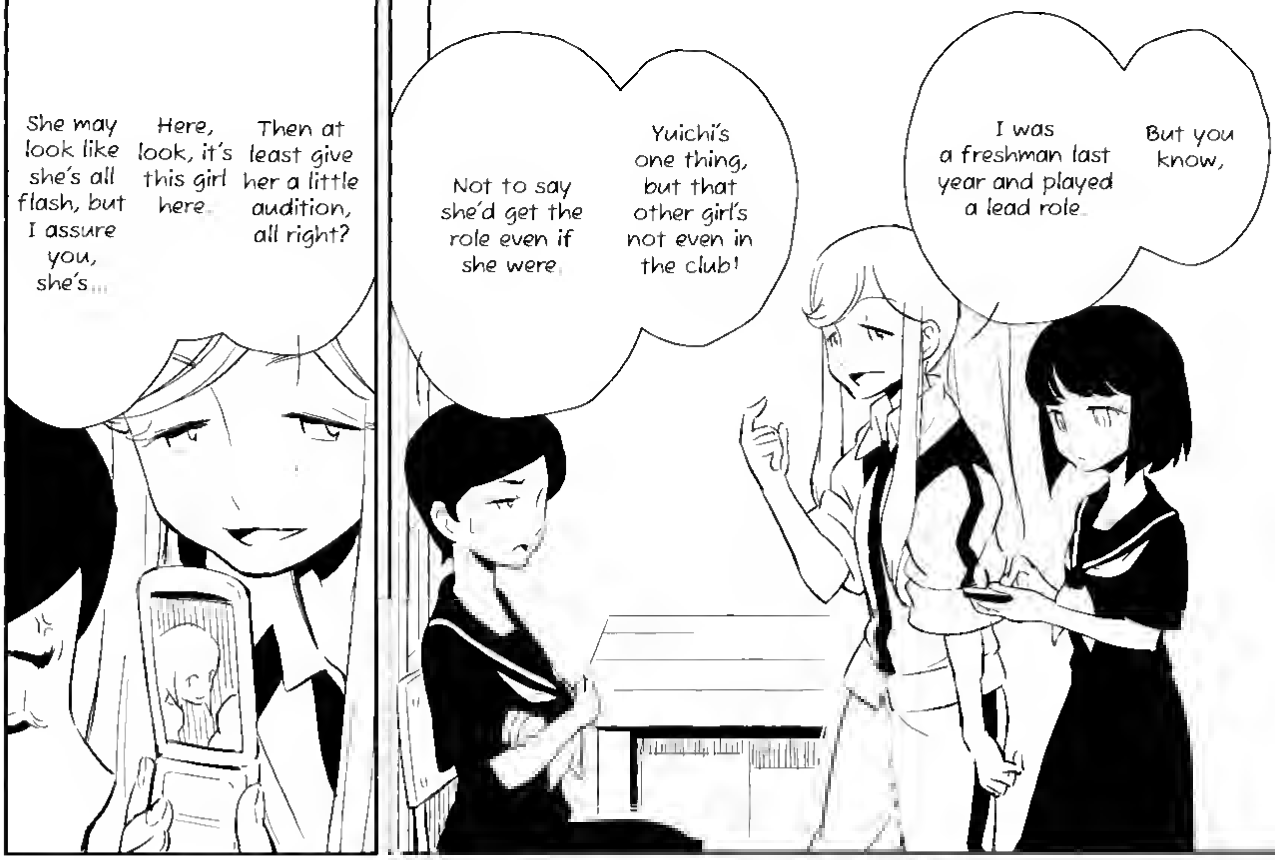
No no no...
It totally matters... right?
Hm...?
Why...?
Eh..
What I think...
doesn't matter.
Mnn.
I'm not sure yet
"Why?" How am I supposed to even...
I mean...
...?
...
Do you want to do it?

They added a new scene between the two leads, kind of a difficult one
they made a slight change to the script, after that was printed
...
You know,
Really? Like what sort?
There are a lot of lines
I noticed that

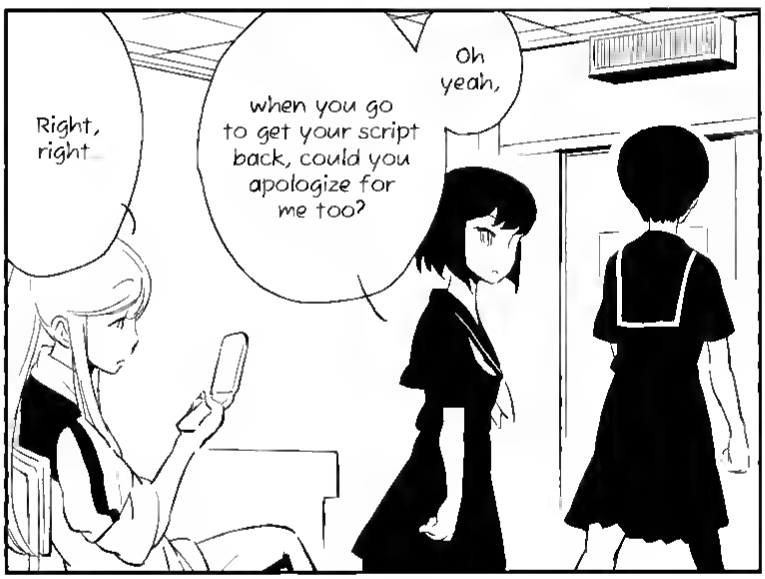
A kiss scene.

There wasn't any change like that. I mean, I don't think there was.
No.
Wh- What!? They did!?

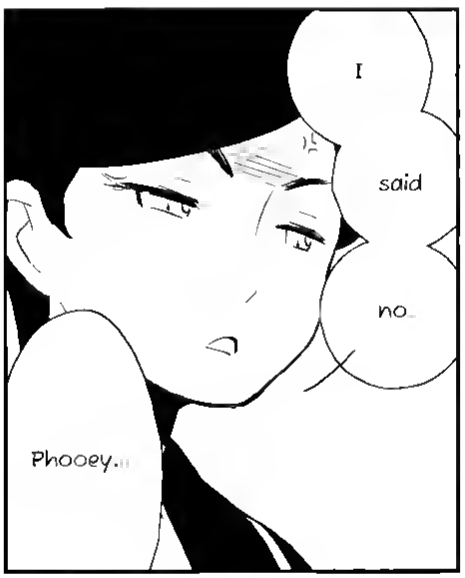
Maybe she said it
because she was afraid Naitou-san was going into this too lightly...?
You're the other lead, right, Yuicchi?
Then, it's OK by me.
Oh...?
What made you think this would be OK!?
A leading role...! What do you do if that freshman took you seriously?
Drama Club



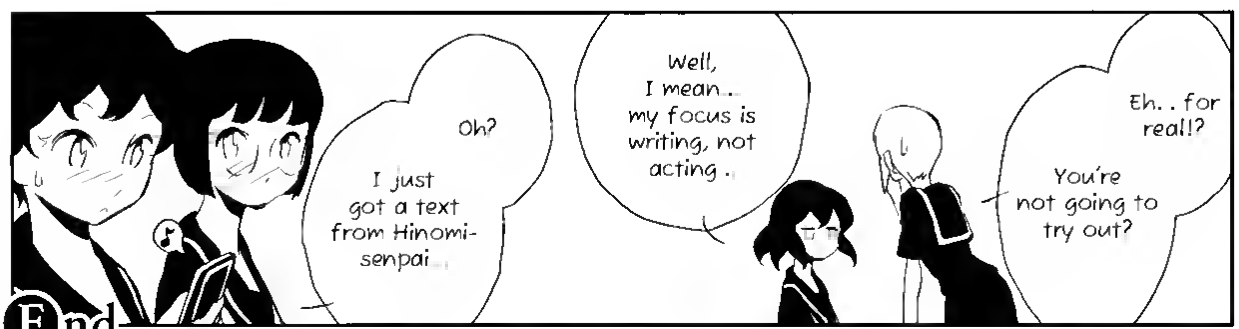
She may look like she's all flash, but I assure you, she's...
Here, look, it's this girl here.
Then at least give her a little audition, all right?
Not to say she'd get the role even if she were.
Yuichi's one thing, but that other girl's not even in the club!
I was a freshman last year and played a lead role.
But you know,



Right, right...
when you go to get your script back, could you apologize for me too?
Oh yeah,



I said no.
Phooey...



Oh?
I just got a text from Hinomi-senpai...
Well, I mean... my focus is writing, not acting.
Eh.. for real!?
You're not going to try out?
